### Chapter 1 by mykal

His entire body was quaking with fear. "This... this thing has taken over me.." he said. "You.. m- must run while you can!" he yelled in terror. His eyes went black and his body started to float. He seemed lifeless, like a rag-doll being tossed into the air. His friends started to run, but for a few it was too late. Gravity shifted two boys to be suspended in midair, cowering in fear, they begged for mercy, for the old John to come back from within this demonic body they were face to face with.

"Its too late for mercy".
